FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

**EXPRESSION OF INTEREST**

Roy E. Henderson d/b/a the Better Broadcasting Company ("BBC") hereby submits his statement of support of the assignment of FM Channel 231C3 to Arcadia, Louisiana, as proposed in the above captioned Docket 99-144, and also indicates his intention to file an application for use of that channel in Arcadia if so allotted.

In the Notice of Proposed Rulemaking adopted April 28, 1999, DA 99-866, ("NPR"), the Commission recognized that the substitution of channel 231C3 for Channel 223A at Arcadia was subject to Section 1.420(g) of the Commission's Rules, providing the right of any party to indicate its own expression of interest in that upgraded channel and BBC is indicating such interest here, consistent with that rule. As noted, BBC supports allocation of Channel 231C3 to Arcadia, but would oppose modification of the outstanding construction permit in Arcadia on Channel 223A to operate on that new channel. Instead, BBC hereby submits its own full and complete commitment to file an

application for use of Channel 231C3 in Arcadia and to build and operate a station on that channel if the application is granted.

Wherefore, the Expression of Interest of the Better Broadcasting Company is hereby submitted and it is requested that the Commission adopt the the Notice of Proposed Rulemaking in Docket 99-144, allocating channel 231C3 to Arcadia, Louisiana, and making the channel available for application by Better Broadcasting Company.

Respectfully Submitted,
